

# Need a doctor – and no surprises?

## Use Care & Cost Finder

### Life happens. When it does, we've got your back.

There's a lot to think about when you need care. Things like the best place to go and what's covered by your benefits. Care & Cost Finder helps you put an end to the guesswork.

### Find a doctor, check quality and compare costs all in one place – online or on the go!

You can search for doctors, hospitals and other health care providers in your plan at [anthem.com](http://anthem.com) or with the Anthem Anywhere mobile app. You'll get important facts like office location, services provided, gender, languages spoken, patient ratings and if providers have received awards for high-quality care.

Care & Cost Finder includes costs for different kinds of care. You can compare doctors and costs side by side and get an estimate of what you'll pay based on your benefits.

### It's easy to find, easy to use – and all in one place.

### Ready to start using Care & Cost Finder?

Just register or log in to [anthem.com](http://anthem.com) today.

Use the Anthem Anywhere app to get the same great information when you're on the go.
